Dear Real Charrois and Calvin Chan:

Re: Deputy Minister's Contractor of the Year Awards

It was a pleasure to present you with your award at the tenth annual Deputy Minister's Contractor of the Year ceremony. In honour of this occasion, I am pleased to present you with a photograph of you accepting your award.

Providing British Columbians with the safest, most reliable transportation possible would not be achievable without the hard work of contractors like you. The Deputy Minister's Contractor of the Year Award is an opportunity to showcase the extraordinary talent and expertise of our industry partners, and I want to thank you for your outstanding efforts in delivering the maintenance of Service Area 6, Lower Mainland.

Your organization has played an important part in helping to make British Columbia a leader in transportation excellence, and we look forward to continuing to work together as we "pave the way" for future successes.

Sincerely,

Grant Main
Deputy Minister
