Dear Bob Nielsen:

Re: Deputy Minister's Contractor of the Year Awards

It was a pleasure to present you with your award at the eleventh annual Deputy Minister's Contractor of the Year Ceremony. In honour of this occasion, I am pleased to present you with a photograph of you accepting your award.

As you know, 2013 was a big year for transportation growth in B.C., and it is the talent and expertise of industry partners like you who bring our mutual vision for transportation excellence to life. The Deputy Minister's Contractor of the Year Award is an opportunity to highlight and celebrate the outstanding level of skill demonstrated by contractors all across the province, and I want to thank you for your superior efforts in delivering the Cone Zone Go-Cart Ride project.

Your organization has played a key role in helping to make B.C.'s transportation system the safest and most reliable possible and in supporting the economic health of our province through the efficient movement of people and goods. I look forward to continuing to work together to carry on this tradition of exceptional achievement!

Sincerely,
