

MAINROAD GROUP

QUALITY POLICY

Through innovation and constant improvement to our business processes, Mainroad is committed to providing quality services that meet or exceed the requirements of our customers and ensure stakeholders issues and concerns are considered in our decisions. We do this by continually reviewing our quality program to address ongoing changes within our business, and maintaining an effective but comprehensive Quality Management System (QMS) based on a dedication to customer satisfaction and continuous improvement.

Mainroad is committed to providing qualified, trained personnel and a well maintained fleet of equipment to conduct all required activities in a safe, efficient and environmentally responsible manner.

Through analysis of data, planning and setting of quality objectives, Mainroad is committed to continuous improvement of service delivery as well as the overall improvement of our QMS.

All staff have individual responsibility for understanding and applying this Quality Policy in the performance of their tasks.
