Mainroad Howe Sound Contracting donates inviting space to Pemberton Skate Park.

Pemberton, BC, December 12, 2011 - The Ministry of Transportation and Infrastructure and Mainroad Howe Sound Contracting teamed together to participate in a community partnership project for the Pemberton Skatepark.

The new Pemberton skate and bike park is located at the corner of Cottonwood and Portage Road and was developed by Langley, BC based New Line Skateparks in May, 2011.

“We wanted to create a picnic and rest area for Pemberton residents and visitors where they could relax with their family and friends. We appreciated the opportunity to make this contribution to the Pemberton community and look forward to our next project.” says Brad Gerhardt, Road Superintendent for Mainroad Howe Sound Contracting.

The Ministry and Mainroad donated funds to purchase a picnic table and bench for the park which was installed in October.

Noel Mankey, Vice President, Operations for Mainroad Group noted, *“Over its 23 year history, Mainroad has given a lot back to the BC community. Partnering with MOTI to complete four community partnership projects this fall has been win-win. We look forward to continuing this initiative in 2012”.*
