

FOR IMMEDIATE RELEASE

EZ Street Canada launches new website!

Surrey, BC, May 31, 2012 – EZ Street Canada is pleased to announce the launch of a new website – www.ezstreetasphalt.ca.

EZ Street is a ready to use, high performance, polymer-modified, cold asphalt that permanently repairs potholes, street edges, utility cuts and provide overlays to asphalt or concrete. EZ Street asphalt is being utilized extensively in over twenty countries around the world. It has proven to be especially successful in wet climates that experience freeze-thaw cycles.

EZ Street Canada's website provides in-depth product information, contractor and do-it-yourself information pages and demonstration videos. New case studies demonstrate EZ Street's exceptional performance in a variety of applications.

EZ Street asphalt is available in BC, Alberta and Ontario. EZ Street Canada welcomes new distributors across the country to actively promote and market EZ Street to the retail DIY market. Interested parties can complete an online application via the site's Distributor Opportunities page.
