

**your roads – your team**

FOR IMMEDIATE RELEASE

Mainroad Group acquires Vancouver Island based Raylec Power Ltd.

Surrey, BC, July 24, 2012 – Mainroad Group announced today that Raylec Power Ltd. has joined the company.

Raylec Power is a versatile electrical contractor specializing in construction, complex system installations and a wide range of maintenance services. Raylec Power has been serving commercial and industrial customers on Vancouver Island and throughout BC for over 28 years. Their head office is located in the Comox Valley with branch offices in Nanaimo and Victoria.

Recently, the Ministry of Transportation and Infrastructure awarded Raylec Power a four-year contract to provide electrical service and maintenance for the Vancouver Island Service area.

*“We are excited to explore the expanded horizons presented by our membership in the Mainroad team while enhancing our solid reputation for quality and performance with the support of a larger group structure,”* says Rick Curiston, General Manager for Raylec Power.

Mainroad Group set a vision for 2015 to be a nationally recognized group of infrastructure service companies with a diversified portfolio that extends well beyond our traditional BC and Bridge maintenance contracts. Raylec Power will help us develop the synergies with Mainroad Group’s other Vancouver Island based companies including G&E Contracting, Saanich Peninsula Rentals, and Mainroad South Island Contracting as well as Lower Mainland based Mainroad Transtronic Services.

About Mainroad Group:

Mainroad Group is a 100% employee-owned collection of companies specializing in road and bridge products and services. The company was formed in 1988 and has successfully become one of BC’s most diversified groups of infrastructure maintenance and construction expertise. We have extensive experience in diverse climates and environments across Western Canada. For further information, visit [www.mainroad.ca](http://www.mainroad.ca).
