

**your roads – your team**

FOR IMMEDIATE RELEASE

Salvador Ready Mix Concrete LP launches a new web presence.

Cranbrook, BC, August 1, 2012 – Salvador Ready Mix Concrete is pleased to announce the launch of a new website | [www.salvador-readymix.com](http://www.salvador-readymix.com).

Salvador Ready Mix Concrete LP is a ready mix, sand and gravel business operating concrete plants in Cranbrook and Kimberley and pit operations in Cranbrook and the Fort Steele area. The company was originally established in 1953 by the Salvador family - Mainroad Group acquired the business in 2006.

*“The company has grown the past several years – we offer a wide range of products and services and more residential and commercial customers are reaching out to us for a customized solution. Our website simply needed to catch up,”* says Salvador’s General Manager, Blair Wharran.

The company can solve virtually any type of concrete problem and stocks a variety of aggregate materials that meet any construction requirement for both residential and commercial projects. Salvador uses a Marcotte batching system to ensure its customers receive the highest quality concrete product for their needs.

Salvador maintains a large fleet of trucks and equipment including a new Komatsu Jaw Crusher (mobile crushing unit) for custom or specialized crushing needs. Also a recently established aggregate testing station closely monitors quality.

Salvador’s key business success is tied to our philosophy of supplying a superior product with great customer service and on time delivery.

About Salvador Ready-Mix Concrete LP and Mainroad Group:

Salvador Ready-Mix Concrete LP is a division of the Mainroad Group, a 100% employee-owned collection of companies specializing in infrastructure products and services. Mainroad was formed in 1988 and has successfully become one of BC’s most diversified groups of civil infrastructure, maintenance and construction experts. We have extensive experience in diverse climates and environments across Western Canada. For further information, visit [www.mainroad.ca](http://www.mainroad.ca). *Mainroad, your roads – your team for over 25 years!*
