FOR IMMEDIATE RELEASE

**Mainroad Fraser Maintenance secures long term OMR contract for the South Fraser Perimeter Road.**

Surrey, BC | December 21, 2012 – The Fraser Transportation Group (FTG) has selected Mainroad Fraser Maintenance as the Operations, Maintenance and Rehabilitation Contractor for the Operating Phase of the South Fraser Perimeter Road (SFPR).

The contract secures Mainroad Fraser Maintenance through 2024 covering operations and maintenance activities as well as asset management of SFPR's infrastructure. For the asset management portion of the contract, Mainroad will be assisted by Associated Engineering to provide bridge structural engineering services.

*"We are pleased to have signed a deal with a well-respected organization that is a leader in its field to fulfil the Operations, Maintenance and Rehabilitation portion of our contract. We feel that Mainroad can and will provide the highest level of service for FTG and the public that will be using the new Highway 17 corridor,"* says Enrique Martin, Concessionaire Director/CEO of Fraser Transportation Group.

Approximately 40km long, South Fraser Perimeter Road is a new four-lane, 80km/hr route along the south side of the Fraser River from Deltaport Way in southwest Delta to 176th Street (Hwy 15) in Surrey, with connections to Highways 1, 15, 17, 91, 99, and TransLink. Mainroad commenced operations for the Eastern segment of the road on December 1<sup>st</sup>, 2012.

*"We are delighted to be partnering with Fraser Transportation Group,"* says David Ching, Vice President for the Mainroad Group. *"The South Fraser Perimeter Road contract enables Mainroad to establish a relationship with some of the leading civil infrastructure companies in the world while utilizing our proven skills to push into new territory regarding asset management."*

Fraser Transportation Group includes ACS Infrastructure Canada Inc. and Ledcor Industrial/Mining Group Ltd. as equity partners, and Dragados Canada, Inc, Ledcor CMI Ltd., Belpacific Excavating and Shoring Limited Partnership and Vancouver Pile Driving Ltd. as the members of the design build contractor.

***About Mainroad Fraser Maintenance and Mainroad Group***

Mainroad Fraser Maintenance is a division of the Mainroad Group, a 100% employee-owned collection of companies specializing in infrastructure products and services. Mainroad was formed in 1988 and has successfully become one of BC's most diversified groups of civil infrastructure, maintenance and construction experts. We have extensive experience in diverse climates and environments across Western Canada. We help link communities, people and families by providing safe and reliable civil infrastructure.
