FOR IMMEDIATE RELEASE

### **Saanich Peninsula Rentals now SPR Traffic Services.**

Langford, BC | January 10, 2013 – Mainroad Group announced a new company name for its fast growing traffic management company. Saanich Peninsula Rentals is now SPR Traffic Services.

SPR is one of the larger traffic management companies serving the South Vancouver Island community since 2004. In addition to a name change, the company has relocated from its Sidney based location to a more central Langford location.

Late Spring, 2012, SPR shut down the company's tool and equipment rental operations to focus 100% of the business on traffic management. Darren Eil, General Manager for SPR Traffic Services noted, *"This shift allows us to give our customers the attention and service that they demand and our new location in Langford allows us to reach a larger geographic area. SPR is able to provide all your traffic control needs from a single flag person to multi-lane closures. As well as traffic control, SPR also rents speed reader boards and portable changeable message board trailers."*

### **About SPR Traffic Services**

SPR Traffic Service is a division of the Mainroad Group, a 100% employee-owned collection of companies specializing in infrastructure products and services. Mainroad was formed in 1988 and has successfully become one of BC's most diversified groups of civil infrastructure, maintenance and construction experts. We have extensive experience in diverse climates and environments across Western Canada. We help link communities, people and families by providing safe and reliable civil infrastructure.
