

## MAINROAD GROUP QUALITY POLICY

Approved by: (name and title of approver) <b>Peter Ashcroft, President</b>	Company: <b>Mainroad Group of Companies</b>
Signature:	Issued: <b>April 26, 2024</b>

Mainroad Group of Companies and its management are committed to providing quality services through innovation and constant improvement to our business processes. These services will meet or exceed the requirements of our customers and ensure stakeholder issues and concerns are considered in our decisions. We do this by continually reviewing our quality program to address ongoing changes within our business and maintaining an effective and comprehensive Quality Management System (QMS) based on a dedication to customer satisfaction and continuous improvement.

Mainroad is committed to providing qualified, trained personnel and a well-maintained fleet of equipment to conduct all required activities in a safe, efficient, and environmentally responsible manner.

Management will ensure all companies in the Mainroad Group shall:

- Provide the necessary resources to support the quality management program.
- Maintain an effective quality management system by setting objectives and monitoring performance.
- Continually improve the effectiveness of the quality management system to enhance performance.

All employees and contractors are individually responsible for understanding and applying this Quality Policy in the performance of their tasks.

This policy and key components of the program shall be reviewed annually.
